WQC501說明書

無線充電器

- 本款無線充電器採用了先進的識別控制技術，能夠微耗待機、電池充飽自動關機、飽和指示無自動停止工作等全部無線控制功能。
- 無線充電器由充電發射板組成。利用電磁感應原理，透過磁場傳遞，電源從充電發射板傳送到電子產品，從而有效地對電子產品進行無線充電。即可把電子產品直接放在充電發射板上充電。

● 主要技術參數：

- QC 2.0輸入：5V/9V 2000mA
- 輸出：5V 1000mA；9V 1400mA
- 本產品完全符合QC2.0快充協議，當使用快充時產品LED燈顯示為紅色，當使用普通充電時本產品LED燈顯示藍色。
- 在手機因電源耗盡而關機情況下，一般在3分鐘內充到可開機，在充電過程中，可打接電話，對產品及手機沒有任何干擾。
- 適用於電子產品，防水產品，數碼產品等的無線充電。

產品保修卡

— Warranty card —

感謝您購買和使用AIWA WQC501無線充電產品！
憑本卡保修 請妥善保管此卡

請您如實填寫以下資料信息：

姓名：	購買日期：
電話：	
故障描述：	
購買地址：	

- 商品出售之日一個月內，如發生故障；商品本身及外包裝必須保存完整，無刮傷，可更換同型號的商品（需經檢查）但不包括人為損壞。
- 一切人為損壞，自行拆機，拆封標，使用不當等一切外表損傷，不在保修範圍之內，保修時必須提供此卡不能提供本卡或者私自塗改本卡，本公司有權作非保處理。
- 商品自出售之日起保修一年。
- 保修服務只限正常使用下有效。
- 我司只對購買本產品的用戶提供因品質問題所產生故障的產品進行免費維修或替換。

產品合格證

— Certificate —

經檢驗乾產品符合技術標準，准予出廠。

品 名： _____

檢驗日期： _____

檢 驗 員： _____

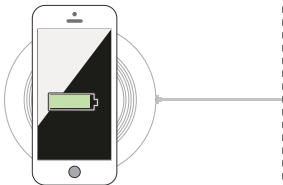

▲警語：低功率電波輻射性電機管理辦法：

1. 經型式認證合格之低功率射頻器材，非經許可，公司行號或使用者不得擅自變更或加大功率或變更原設計之特性及功能。
2. 低功率射頻電機之使用，不得影響飛行安全及干擾合法通信，經發現有干擾現象時，應立即改善到無干擾時，方得繼續使用。
3. 合法通信係指依電信法規作業之無線電通信。
4. 低功率射頻電機，須忍受合法通信或工業或科學或醫療用電波輻射性電機設備之干擾。
5. 本機限在不干擾合法電台及不受被干擾保障條件下使用。

WQC501 User Manual

(For wireless charger Models)

- Advanced identification control technology is applied to this wireless charger, which makes it a reality—micro consumption in standby mode, automatic shutdown when fully charged, no automatic interrupts in a state of saturation, all these are realized by wireless control.
- The wireless charger is composed of charging emission board. With the principle of electromagnetic induction, the power is transferred from the emission board to electronic products via magnetic field, so as to supply wireless charging for electronic products effectively. What you need to do is just putting your electronic device onto this charging emission board.

• Main technical parameters:

- QC 2.0 Input: 5V/9V 2000mA
- Output: 5V 1000mA ; 9V 1400mA
- This product fits QC2.0 quick charge agreement, when using quick charge the LED light shows red, when using normal charging then LED display blue.
- In the state of power-off, generally for IPHONE, it needs within 3 minutes to power on. Making a phone call or answering your phone is interference-free to your phone as well as this product during charging period.
- It applies to all kinds of electronic products, water-proof products, digital products, etc.

Made in China

Warranty Card

Thank you for choosing our products.
(Redeem warranty service with this card.
Please keep it secure.)

Please fill in the followings with true information:

Name:	Purchasing date:
Tel:	
Trouble description:	
Purchasing address:	

- Within the month the product is sold, free replacement service for the same model is offered for quality failure (excluding artificial damage). Please note that the product and package must be intact and free from scratch or damage.
- All artificial damages, disassembling by oneself, unseal header, improper usage and all surface scratches are not covered by our warranty. This card must be submitted for warranty service. Under the failure to submit this card or altering its content, we reserve the right to disqualify warranty.
- We promise to provide 12-month free repair, replacement or compensation of faulty batteries and after-sale service, starting on the date of purchase.
- Warranty service is limited to product under normal proper usage.
- Our company provides free repair or replacement service to a customer only if the failure is due to a quality problem.
